

# CURRICULUM VITAE

## PERSONAL DETAILS

<b>NAME</b>	<b>CHRISTOPHER OWINO NG'ANYA</b>
<b>DATE OF BIRTH</b>	16 <sup>th</sup> June 1984
<b>ID NUMBER</b>	24415560
<b>E-MAIL</b>	chrisowino84@yahoo.com
<b>CELL PHONE</b>	+254 720827907
<b>DISTRICT</b>	Kisumu East
<b>ADDRESS</b>	6446 Kisumu, Kenya 1030 Vienna, Austria
<b>RELIGION</b>	Christian
<b>LANGUAGES</b>	Swahili (fluently, C2) English (fluently, C2) German (basic, A2)
<b>STRENGTHS</b>	ambitious analytical methodical

## MY VISION OF WORK AND CAREER OBJECTIVES

*"The most important for a fulfilling profession in technology is, to keep yourself up-to-date with the latest technical tools and innovations to face new challenges with competence and joy.*

*My aim in career is, to apply my technical skills conscientious and with effort into the workforce in an environment, which allows me career advancement."*

## WORK EXPERIENCE

### 2014 – to date            TECHNICAL UNIVERSITY (TECHNOLOGIST)

- Conducting and teaching practical lessons in electrical and welding workshops and laboratories
- Teaching and conducting practically on PLC

### 2013 – 2014            EGERTON UNIVERSITY (TECHNOLOGIST DEPT. INDUSTRY AND ENERGY ENGINEERING)

- Teaching Practicals
- Thermo fluid Practical, Foundry Technology, Material Science, Mechanics of Machines and Strength of materials
- Installation and maintenance of star –delta starter, resistor start starter, forward and reverse starter and direct on line starter
- Inspection of motor faults and conducting diagnosis and remedies

### 2012                    KK SECURITY GROUP COMPANY (TECHNICIAN IN CHARGE)

- Installation and maintenance of: Alarm systems, trucking system devices CCTV cameras, Access controls and Radio calls
- Doing site surveys and preparing clients quotations
- Installing and maintaining electronic security systems
- Maintaining and monitoring the branch alarm systems by **Listener Lite** software system

### 2011                    MUSTIMOTO COMPANY LIMITED (TECHNICIAN IN CHARGE)

- Maintenance of instruments monitoring gauges, transmitters and transducers
- Motor rewinding
- Installation and maintenance of star –delta starter, resistor start starter, forward and reverse starter and direct on line starter
- Inspection of motor faults and conducting diagnosis and remedies
- Domestic installation, maintenances and wiring

### 2008 – 2009            COMPLY INDUSTRIES LIMITED NAKURU (ELECTRICAL TECHNICIAN)

- Industrial installation and special electrical installation
- Industrial assembly of starters and switches
- Motor rewinding, servicing and maintenances
- Basic programmable logic circuit (PLC)
- Defect detection, repair and maintenance
- Pneumatic services i.e., solenoid, valves

2006

**CHEMELIL SUGAR COMPANY (ELECTRICAL INTERN)**

- Servicing of contactors and Motors, especially powering of Cranes
- Maintenance of instruments monitoring gauges, transmitters and transducers
- Installation and maintenance of star –delta starter, resistor start starter, forward and reverse starter and direct on line starter
- Inspection of motor faults and conducting diagnosis and remedies
- Domestic installation, maintenances and wiring

**ACADEMIC BACKGROUND**

<b>2008 – 2010</b>	<b>BACHELOR OF IND.TECHNOLOGY</b> Egerton University GRADE SECOND CLASS UPPER DIVISION
<b>2005 – 2007</b>	<b>DIPLOMA ELECTRICAL ENGINEERING (Power Option)</b> Ramogi Institute of Advanced Technology (R.I.A.T)
<b>2001 – 2004</b>	<b>KENYA CERTIFICATES FOR SECONDARY EDUCATION (K.C.S.E.)</b> Kisumu Day High School GRADE B (PLAIN)
<b>1993 – 2000</b>	<b>KENYA CERTIFICATES FOR PRIMARY EDUCATION (K.C.P.E.)</b> Kanga Primary School GRADE OBTAINED A- (MINUS)

**PROFESSIONAL QUALIFICATION AND MEMBERSHIPS**

- **Programmable logic control** and SCADA
- CBET competency based training in welding
- Customer Delivery Service, Kenya School of Government
- Computer application
- Driving license Classes B, C, D
- **CDACC-Member** (Curriculum Development Assessment and Certificate Council, Ministry of Education Kenya)
- Further Memberships: EBK (Engineer Board of Kenya), KEREAA (Kenya Renewable Energy Association) and KTRB
